Moreover, I have resided continuously overseas for more than six years at the time of application, have never studied as an overseas Chinese student in Taiwan and have not been approved for student status by the University Entrance Committee for Overseas Chinese Students in the current academic year. The proof of the highest level of education attained that I have provided (for Bachelor’s degree applicants -your high school diploma and for Master’s degree applicants – your Bachelor’s degree diploma) is valid and legally recognized by the country from which I graduated. The diploma provided is comparable to that which is awarded by certified schools in Taiwan. If this is found to be fraudulent (including those through alterations and forgery) and in violation of any regulation, my admission will be refused, my student status revoked, and no transcript or diploma will be issued.
